Letter No.F.15(21)-E(S)/47, dated 27th February 1948 from the Under Secretary to the Government of India, Ministry of States, New Delhi, sanctioning revised pay schedules for the personnel of the old Mysore Residency and the Mysore Assigned Tract Administration and requesting arrangements being made for their acceptance and payment.

A copy of the revised pay schedules obtained from the Officer on Special Duty (Mysore Residency), as instructed, is put up herewith.

It is stated that in addition to arrear pay bills arising from this revision of pay in respect of persons employed in the Mysore Assigned Tract Administration, who have been transferred to Mysore service on retrocession, payable by the Mysore Government, the arrears payable to persons discharged or transferred elsewhere before retrocession as well as one third share of the arrears payable to the Residency staff for the period up to the date of retrocession are also chargeable to the Government of Mysore.

A copy of the record of discussions held by the Dewan with the States Department in August 1947 regarding the liability for bearing certain charges, among other matters, is put up herewith for reference.

As will be seen from it, provision for payment of revised pay and arrear pay bills has not been specifically made in it.

The file may be sent to the Financial Branch for remarks.

2. According to Govt.Notification No.464/CB. 400-46-5 dated 28th July 1947 all the laws and enactments which were in force in the Civil Station on the 26th July 1947, continue to be applicable to that Area until further orders. According to Para (3) of the discussions which the Dewan had with the States Department at Delhi on the 1st August 1947, the staff of the Civil Station should, for a period of one year from the date of Retrocession, be governed by the rules regarding Pay, Leave, Pension, etc., which were in force on the day <u>preceding</u> the date of Retrocession. The revised scales of pay would have been applicable to the staff of the Civil Station had they continued under the administration of the Crown and may, therefore, have to be admitted by this Government. The only technical objection that can be raised is whether the Government of India are in order in sanctioning revised scales of pay retrospectively, to the staff of the Civil Station <u>after</u> the date of Retrocession. As the revised scales of pay were

Serial No.

not in existence on the day "preceding" the date of Retrocession, (vide the discussions of the Dewan referred to above), it may perhaps be questioned whether this Government is bound to accept such revision. This appears, however, to be a legal point on which I am not able to offer any opinion.

3. In this connection, it may be stated that several letters were addressed to Government urging the need for the issue of a "Notification" in terms of the discussions referred to above, (vide latest D.O.letter No.282/Ret. dated 3-3-1948 to the Financial Secretary to Government) offerring some terms to the staff of the Civil Station before their being taken over to the service of the State permanently. If such a Notification had already been issued, this Government could, perhaps, have objected to the sanction of the revised scales of pay to the Civil Station by the Government of India on the ground that the staff had already been offerred certain terms and that the revised scales cannot therefore be applied to them. It is necessary to issue such a Notification atleast now as already eight months have passed since the date of Retrocession.

Fixation of pay of pre-1931 entrants under the Central Civil Services (Revision of Pay) Rules 1947.

The Government of India have had under consideration the question of liberalising the method of fixation of pay of pre-1931 entrants electing the scales of pay prescribed under the Central Civil Services (Revision of Pay) Rules, 1947. It has been decided that if the pay of a pre-1931 entrant fixed in accordance with rule 8(2) of the Rules as it stands at present, is less than or equal to his "present pay" his pay in the prescribed scale shall be fixed at the stage next higher to his present pay". If the "present pay" happens to be more than the maximum of the prescribed scale, he will draw the difference as personal pay. This decision is not applicable to pre-1931 entrants who are holders of non-permanent posts.

2. Pre-1931 entrants who stand to benefit by the above decision may now elect the prescribed scales if they have not done so already and those who have already elected the prescribed scales may, if they so desire, change original date of option. Such election or change in date of original election should be intimated in writing to the concerned authority within the date prescribed under rule 7 of the Rules.

3. Formal amendments in the Central Civil Services (Revision of Pay) Rules, 1947 will be made in due course.

Revision of Pay Scales.

Continuation Ministry of States endorsement No. F.15(21)-E(S)/47 dated the 15th September 1947

2. The Governor General is pleased to sanction revised scales of pay as in the enclosed schedule for the personnel employed for the Mysore Assigned Tract Administration under the administrative control of the C.R. This revision is subject to the provisions contained in the Central Civil Services (Revision of Pay) Rules, 1947, issued with the Notification of the Government of India, Finance Department No.F.11(1)-Est.(Spl.,/47 dated the 29th July 1947, which were extended, subject to certain modifications, to persons in the service of the Crown Representative, in the late Crown Finance Department Office Memorandum No.D.3794/47 dated the 13th August 1947, a copy of which was forwarded with the Ministry of States' endorsement referred to in paragraph 1 above.

3. These revised scales will be the "prescribed scales" for the purposes of the Central Civil Services (Revision of Pay) Rules, 1947 and will be applicable to all persons employed under the control of the Crown Representative for the Mysore Assigned Tract Administration, who on the retrocession of the Assigned Tract on the 26th July 1947 were taken over by the Government of Mysore or who were discharged from service or transferred to service other than service under the Government of Mysore between the 1st April 1947 and the 25th July 1947, and would have continued to serve the Government of India after the 25th July 1947 but for the retrocession. As the Pakistan Government are not implementing the Pay Commission's recommendations. the concessions will not apply to those who are now serving under the Pakistan Government or who are now residents of Pakistan. Action may now be taken to secure their option in writing and to fix the initial pay of each person who elects the revised scale of pay pertaining to his post in accordance with the provisions of the Central Civil Services (Revision of Pay) Rules 1947. After the initial pay is fixed the following arrear bills should be prepared:

(a) for persons who were transferred to Mysore service on retrocession, and

(b) for persons who were discharged or transferred to service other than Mysore service between 1st April 1947 and 25th July 1947. These bills should be supported by detailed statements containing full particulars necessary for fixing the initial pay and sent to the Accountant General for pre-audit. A copy of letter

from the Accountant General Central Revenues No. TG-16-1/3244 dated the 20th November 1947, containing his instructions on this point is enclosed for guidance. The arrear bills should include not only the additional pay that may be admissible under the Revision of Pay Rules but also the increased dearness allowance admissible under the Finance Department Office Memorandum No.F.4(4)-Est(Spl)/47 dated the 29th July 1947 and the house rent allowance admissible under the Finance Department Office Memorandum No.F.6(1)-Est(Spl)/47 dated the 31st July 1947, subject to adjustment of the emoluments already drawn in accordance with the instructions contained in the former communication.

4. Please refer to Government of India, Finance Department, Office Memorandum No.F.4(4) Est.(Spl.) 47, dated 29-7-47 sanctioning different rates of dearness allowance to persons drawing pay between certain limits mentioned therein.

2. In para 5 of that Memo. it is stated that all conditions ~~regulations~~ regulating the grant of dearness or cost of living (war allowance during leave, deputation etc. except in so far as they pertain to the rates of these allowances, will apply to the grant of new rates of dearness allowance. Previously the dearness allowance was calculated on the total emoluments for a month, while the cost of living (war) allowance was based on the rate of pay and leave salary for each broken period of a month (vide paragraph 4 of Government of India, Finance Department, Office Memo.No.FII(3)-EII/46, dated 17-7-46) but in the case of the new rates of dearness allowance, the amount of dearness allowance may be determined with reference to the rates of pay and leave sadary drawn during each broken period of a month on the analogy of the decision of the Government of India in respect of calculation of interim relief in cases where broken rates of pay are drawn in a month.

3. Necessary instructions in the matter may be issued to your subordinate officers and they may be asked to recover the amounts paid in excess, if any, to those Government servants who were paid dearness allowance based on their total emoluments for a month.
